Dear Mr. Mark:--

Thank you for your letter accepting appointment to another term on the Mayor's Commission on Group Relations.

As you pointed out in your letter there is still much to be done. Some of the problems you mention will be given careful and considerable attention in the coming months.

I know that during the course of your new term you will demonstrate the same drive and leadership we have been fortunate to secure from you during your past term.

Sincerely yours,

Leo P. Carlin
